## STATEMENT OF FORBA DENTAL MANAGEMENT

*Nashville, TN* – FORBA Dental Management, management company of Small Smiles Dental Centers, released the following statement today:

**“The current executive leadership and ownership of FORBA Dental Management, the management company of Small Smiles, has been in place since September 2006. Since that time, our objective has been to provide high-quality dental care to children in underserved communities nationwide, and we have taken steps to improve the policies and culture of the company to meet that goal.**

**“Most recently, we have launched a number of initiatives, detailed in previous statements to WJLA, to improve care and ensure a positive experience for children and parents at Small Smiles Dental Centers.**

**“Under our management, Small Smiles’ 1,600 employees and caregivers work tirelessly to ensure that underserved children receive the highest quality, compassionate care at our facilities nationwide.”**
